the resolution. So there is no misunderstanding, there will be a motion following this that will make the formal withdrawal of the bills. This does not withdraw the bills. There will be a formal motion up there to suspend the rules and withdraw all the bills at one time and the reason I want to do that is because I don't want to get nit picking on each bill. I have a motion up there that would withdraw each one individually, but I would much rather withdraw them as one block and then we don't have to mess with each motion. So with that, I would urge the adoption of the resolution, then we'll proceed to the next motion. Thank you.

PRESIDENT: Thank you. All those in favor of the resolution vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 29 ayes, 1 nay, Mr. President, on the adoption of the resolution.

PRESIDENT: The resolution is adopted. Anything to put in the record at this time, Mr. Clerk?

CLERK: Not at this time, Mr. President.

PRESIDENT: Okay, we'll move on to number six, the motion...

CLERK: Mr. President, Senator Baack would move to suspend Rules 3, Section 13 and 5, Section 11, and Rule 7, Section 3(c) so as to withdraw LB 547 and LB 1228 and LR 10CA, LR 270CA and LR 271CA.

PRESIDENT: Senator Baack, please.

SENATOR BAACK: Yes, Mr. President, members, I mentioned this in my closing on the other bill. This is the motion that would withdraw all of the legislative issues dealing with Initiative 300. Most of them are my bills. Most of them I'm the main sponsor on. There is one, LB 547 which Senator Conway is the main introducer of the bill. He has agreed to this motion also and Senator Weihing is a co-signer on a number of these and he has also agreed to withdraw all of these bills. So with that, I would just urge you to suspend the rules and then we'll withdraw all the bills in one motion. Thank you.

PRESIDENT: Thank you. Senator Lamb, then Senator Chambers.
